DRIVE GREEN - KEEP IT GREEN

Prepare Your Equipment for Spring Event

KEEP IT GREEN

Huron Tractor is committed to helping you keep your John Deere equipment performing its best. Take advantage of this **FREE Compact Utility Tractor Clinic** to optimize the operation and maintenance of your tractor as we head into Spring. Learning stations to include:

Tractor Operation

- Review controls and features
- Tips to best utilize your tractor
- Available accessories to maximize ease of use

Attachment Installation

- Loader, mower, backhoe installation and removal
- Installing 3-point-hitch implements and iMatch hitch
- Review of available attachments

Tractor Maintenance

- Recommended service intervals
- Best maintenance tips & suggestions
- Warranty for tractor, implements and parts

DRIVE GREEN

Get in the seat of Compact Tractors, Gators, Lawn Tractors, Commercial & Residential ZeroTurn Mowers at our **Ride & Drive Stations** and see for yourself why "nothing runs like a Deere". Plus special demo sites for implement installs, and test your skills in our backhoe competition!

Special Savings

- **\$500 OFF** Compact & Utility Tractors
- **\$200 OFF** RSX & XUV Gators + much more!

Honda & Stihl

- Displays & demonstrations
- Great Spring savings!

BBQ Lunch Provided

- Door Prizes
- Giveaways
